at Tradex, Abbotsford

Statistics predict that during the next 10 years there will be a shortage of skilled workers in many categories.

This highly informative Career Fair will introduce a wide variety of education & career options. Plan to be a part of this special Show Guide and bring our readers to your exhibit.

This Show Guide will be delivered to over 46,000 homes in the Abbotsford/Mission area, with additional copies available at the show.
