

INTRODUCING

THE TWO MOST ADVANCED ONLINE INTEREST INVENTORIES IN CANADA

 **DISCOVERY**
Grade 7-10

 **EXPLORATIONS**
Grade 10-12+

Engage your students with two inventories that are user friendly and focus on age appropriate experiences and grade-level

EDUCATION FOCUS:

Instead of ranking top 'careers', students discover their occupation interest areas, as well as their high school subject and post-secondary programs of interest. Students can explore and add favourites.

POWERFUL INTEGRATION OPTIONS:

Experience myBlueprint innovation at work. Student results seamlessly integrate with Education Planner's High School and Post-Secondary Planner features to ensure students effectively plan their education.

APPROPRIATE QUESTIONS & RESULTS:

DISCOVERY and **EXPLORATIONS** ask the most appropriate questions and provide the most appropriate results.

IT'S FUN AND EASY:

DISCOVERY and **EXPLORATIONS** are simply the most fun and easy inventories from start to finish. Try them out, today.
