FOR IMMEDIATE RELEASE

**The Education & Career Fairs Announces Launch
of the Fraser Valley Job Fair**

ABBOTSFORD, British Columbia – The Education & Career Fairs, *BC's Largest Career Planning Events*, have been hosting successful Fairs in the Fraser Valley, Vancouver Island, Vancouver, Kamloops and the Okanagan since 1996. Education & Career Fairs will build upon their success in the Fraser Valley region with the launch of the new Job Fairs, *BC's Most Extensive Recruitment Events!*

If you are looking for a job, want to meet with different employers from various sectors, or want to learn how to make yourself more marketable in the pool of job seekers, the Fraser Valley Job Fair will be an ideal event to attend. This one-day event will be held at the Tradex in Abbotsford on Tuesday, December 1, 2009. With a wide range of information available, the Fraser Valley Education & Career Fair / Job Fair is necessary to attend for job seekers, career changers, adult learners, and those choosing a post-secondary institution.

The Fairs allow attendees the opportunity to interact with exhibitors who are representing a wide range of careers, employment and higher education options in a trade show format. Participants will find representatives from a variety of industries ranging from esthetics to financial planning to trades that are there to provide information about their industry and what it takes to excel within it. Post-secondary institutions, government agencies, organizations and professional associations from throughout Canada, the US and internationally will be available to discuss important information regarding the selection and admissions process.

Attendees will also gain access to Seminar Sessions that are presented by industry professionals in two seminar areas, the Trades & Technology Seminar Area and the Career Options Seminar Area. Seminars are 30 minutes in length and cover some of the most popular and in-demand careers in the labour market.

"We are excited to launch the Job Fairs in Fraser Valley," explains Mathias Posch, President of the Education & Career Fairs / Job Fairs. "We expect the launch of the Job Fairs to be a success and look forward to bringing together quality job seekers with a wide range of employers and employment resources providers."
