

Plan Your Future at the Vancouver Island

EDUCATION & CAREER FAIR

Black Press in co-operation with show management is pleased to offer an opportunity for all exhibitors to participate in a special feature promoting the Vancouver Island Education & Career Fair to more than 32,000 homes and businesses.

Many adults in the community are looking for information pertaining to continuing education and possible career change options, both for themselves and their children. Participating in this section gives you an opportunity to tell readers why they should attend the show and, more importantly, why they should visit your exhibit.

This feature will be published in the Saturday November 26th issue of the Nanaimo News Bulletin.
