FOR IMMEDIATE RELEASE

The Education & Career Fairs Announces Launch of Kamloops Fair in 2009

KAMLOOPS, British Columbia – The Education & Career Fairs, *BC's Largest Career Planning Events*, have been hosting successful Fairs in the Fraser Valley, Vancouver Island, Vancouver and the Okanagan since 1996. 2009 introduces the newest addition, the Kamloops Education & Career Fair, to the line-up that will occur every two years. Kamloops is located in the heart of the Thompson-Nicola Region of BC and is one of the largest cities in the BC Interior.

If you are looking to learn more about your career options, or even just curious to see what's new and hot in the labour market, the Kamloops Education & Career Fair is a one-day event held at the Tournament Capital Centre on February 5, 2009 is a one-stop shopping experience at the ultimate career-planning event. With a wide range of information at your fingertips, the Education & Career Fair is necessary for career changers, adult learners, and those choosing a post-secondary institution.

The Fairs allow attendees the opportunity to interact with exhibitors who are representing a wide range of career and higher education options in a tradeshow format. Participants will find representatives from a variety of industries ranging from esthetics to trades on hand to provide information about their industry and what it takes to excel within it. Post-secondary institutions, government agencies, organizations and professional associations from throughout Canada, the US and internationally will be available to discuss important information regarding the selection and admissions process.

You will also gain access to Seminar Sessions that are presented by industry professionals in two seminar areas, the Trades & Technology Seminar Area and the Career Options Seminar Area. Seminars are 30 minutes in length and cover some of the most popular areas in the labour market.

"We are excited to expand our Fairs into Kamloops. The support from the community and School District 73 has been overwhelming," explains Carol Liber, Show Manager and owner of the Education & Career Fairs. "We expect the launch of the Kamloops Fair to be a success and we look forward to providing quality career planning events for the City of Kamloops for many years to come."

More information about the Fairs, exhibit space and the complimentary ticket program can be found at www.educationcareerfairs.com
