ECF Launches 9 Fairs in Spring 2021

February 19, 2021 - Building from two successful fairs in December 2020, the Education and Career Fairs (ECF) catapults into 2021 with four virtual fairs for British Columbia residents and five virtual fairs for Ontario residents in February – May 2021.

Working together with school districts, attending ECF has been added to the curriculum of dozens career classes across British Columbia and Ontario secondary schools. The ECF experience features:

- Live chat with admissions officers, employers, and financial aid representatives
- Virtual workshops and online seminars
- Videos of school campus tours, student testimonials, and more
- Opportunities listing

The past 2020 fairs have reported attendance of 10,000 attendees across 2 virtual fairs gathering widely positive feedback from teachers.

“I love the flexibility and convenience of the virtual ECF. Teachers and students who register for ECF have easy access to a wide variety of exhibitor booths before, during and after the fair. Transportation issues and costs are eliminated as are time away from class and conflicting events,” said Michelle Myers, representative of Abbotsford School District.

Registration for ECF is free and open to anyone. The dates for the upcoming fairs are as follows:

ECF British Columbia Fair Dates

Series 2
Thursday, February 25, 2021
Tuesday, March 2, 2021

Series 3
Thursday, May 6, 2021
Tuesday, May 11, 2021

About

Since 1996, the Education and Career Fairs (ECF) has helped the next generation of students and young adults plan out their education and career journeys by introducing them to resources and contacts from organizations across Canada. More than just a trade show, ECF breaks down communication barriers between an organization and an individual. The 2019 fairs have gathered over 12,000 attendees and 100+ exhibitors. In 2020-2021, ECF is expanding by hosting 6 virtual fairs for British Columbia and 5 virtual fairs for Ontario.
